Introduction

Welcome

Welcome to ILLOURA College! This handbook provides you with everything you need to know about studying with us in Australia. By choosing us as your education provider, you are choosing a high-quality and industry relevant course and education provider to ensure you are set up for the future.

About us

Located in Perth Western Australia, ILLOURA College provides courses in the areas of Business Management and Hospitality Management. With well-located and comfortable facilities for students, industry current trainers and assessors along with modern equipment and resources, ILLOURA College is a wise choice for your learning and future.

ILLOURA College is a CRICOS (03953D) provider of Vocational Education and Training (or VET as it is commonly known). The VET sector in Australia is based on a partnership between governments and industry

We are a private institution. VET courses broaden your skills in specialised areas and are competency based. This means that you are either Competent, or Not Competent, and if you achieve competence for all your units that make up a qualification then you can be awarded with your qualification certificate. To read further about vocational education and to see the various certificate levels which make up the framework, follow the link: <https://www.studyinaustralia.gov.au/English/Australian-Education/Vocational-education>

Our obligation to you

As a Registered Training Organisation (RTO) and CRICOS Education Provider registered with Australian Skills Quality Authority (ASQA), we have an obligation to ensure the quality of the nationally recognised training and assessment we deliver. We must comply at all times with the Standards for RTOs 2015, which are part of the VET Quality Framework, as well as the Education Services for Overseas Students Act 2000 and the National Code of Practice for Providers of Education and Training to Overseas Students 2018 (National Code).

We take this seriously, so we have developed policies and procedures along with systems within our business to make sure we comply with the standards and legislation. As we are responsible, this means that we take responsibility for any third parties we may work with – this includes training partners, education agents and sales/marketing providers. We participate in audits with the regulator (ASQA) and must provide them with information when they request it.

We are also required to issue you with your Australian Qualification Framework (AQF) certification documents once you have been found competent. If you feel in any way that we are not living up to our obligations, you have the right to make a complaint. Please see the **Complaints and Appeals** section of this handbook for information on how to do so.

After you have successfully completed the application and enrolment process, you will be issued with a Confirmation of Enrolment (CoE). Once you have this, you can apply to the Department of Home Affairs for a student visa. You may choose to use a Registered Migration Agent or may choose to complete it yourself. More information about how to apply for a visa can be accessed here:

<https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-finder/study>

Once you have received your visa, you must abide by its conditions. If you don't, you can be sent home and won't be able to finish your course. Conditions include (but are not limited to):

- Satisfy attendance and/or course progress requirements and maintain a valid enrolment for your course.
- Only work if you have been given permission to do so as part of your visa grant (and not work more than the stipulated number of hours).
- Maintain approved Overseas Student Health Cover (OSHC) while in Australia
- Notify your training provider of your Australian address and any subsequent changes of address within 7 days.
- Complete the course within the duration specified in the CoE you received.
- Remain with the principal education provider for 6 months unless you are issued with a letter of release from the education provider to attend another institution.

What is a USI and why do I need one?

USI is the acronym for Unique Student Identifier. It is a reference number that creates an online record of your training and qualifications attained in Australia. If you don't have a USI, then you can't be awarded your qualification or statement of attainment.

Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means (unless you have an exemption issued by the USI registrar) that as a student you must provide us with your USI. For information about USIs including how to create one visit <https://www.usi.gov.au/>.

For information on exemptions visit: <https://www.usi.gov.au/about/privacy-and-unique-student-identifier/individual-exemptions-students>

If you are having trouble creating a USI, we will assist you during the orientation session on the first day.

Education agents

ILLOURA College uses education agents to assist us to recruit students. We have written agreements in place to ensure ethical practices as we hold our responsibility to our students, the sector and reputation of the VET industry in Australia very seriously. A list of approved education agents can be found on our website at: www.illoura.edu.au

RPL and credit transfer

Credit transfer is a formal recognition of previous studies and can help to reduce the duration of your course, as well as fees. You may apply for a credit transfer for a complete unit or modules within a unit. There is no charge to apply for a credit transfer but you need to let us know that you want to apply for this on your application for enrolment form in the relevant section. You will need to provide a certified copy of your certificate either issued by another education provider or an authenticated VET transcript issued by the USI Registrar.

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised. You need to let us know that you want to apply for RPL at the time of application by indicating this on the application for enrolment form in the relevant section. There is a charge for RPL and this can be viewed in the **Fees and Refunds** section of this handbook. RPL can also reduce your course duration and fees.

We will inform you in writing of any reduced course duration and fees due to credit transfer and RPL and issue your CoE for the reduced duration of the course.

Course orientation

On the first day of your course, we will deliver an orientation session to you which includes an induction session. It's vital that you attend this as we will cover the following topics:

- Course information.
- Facilities and resources available at our campus.
- Emergency evacuation procedures.
- Your rights and responsibilities as a student.
- Support services available.
- Legal, emergency and health services.
- Safety relevant to Australia and your environment.
- Critical incidents and critical incident reporting
- Policies about course progress, attendance monitoring, deferral, suspension and cancellation, course transfer and our complaints and appeals process.
- Student visa conditions related to course progress and attendance.
- Information about work rights.
- Question and answer session
- Assistance in creating your USI if you have not done so already.

What can I expect during training and assessment?

Vocational training and assessment is all about practical and competency-based learning and assessment that is relevant to industry and our modern world.

You will learn in the classroom and/or the practical work environment where the industry conditions are simulated to prepare you for your chosen field. You are required to undertake a range of assessment activities dependent on the course you are undertaking. Your assessment tasks will either be marked as Satisfactory or Not Satisfactory and achievement of a Satisfactory result for all assessment tasks within a unit of competency results in a mark of Competent for that unit. Once you have received a mark of Competent for all units that make up the qualification – you will be eligible to be awarded your qualification.

Reassessment arrangements

Arrangements for reassessment will be arranged with you directly with your trainer/assessor if, and as, necessary. You are entitled to two attempts at each assessment task and if you exhaust both attempts, then you will be required to pay an additional cost for re-assessment as outlined in the **Fees and Refunds** information and this will also be outlined in your *Student Agreement* signed at enrolment. Please refer to the **Fees and Refunds** section for more information.

We can't guarantee that you will be awarded your qualification as this is dependent on you and the work you put into your course. We will provide you with all the necessary facilities, equipment, trainers and support to complete the qualification – but the outcome of it depends on you. We also can't guarantee that you will find work in your chosen field, as this depends on factors beyond our control – but what we can guarantee is that we will provide you with consistent training and an industry-relevant course with the support and guidance from a fantastic team of dedicated trainers who care about your individual progress. Each student matters to us – and your positive outcome and successes are successes of our college community also.

Support and welfare

We all need a little extra support sometimes and when you are living and studying overseas – you may need a little bit more than you normally would. We are here to help you – so don't ever be shy to let us know what you are going through and how we can help.

We offer the following in relation to support and welfare:

- One-to-one support from the trainer/assessor.
- Support with personal issues.
- Access to additional learning resources.
- Reasonable adjustment in assessment.
- Social events.
- Buddy program.
- Information about external sources of support.

You may not have studied for a while, may have English as a second language or need additional assistance with literacy or numeracy. We will identify any additional support needs you may have at the time of application and enrolment and may prepare a Student Support Plan for you based on those needs.

We have a range of information we can provide you with on a variety of issues – this may be related to accommodation, legal or financial issues, cultural considerations, disability support, stress management – or maybe you are experiencing a bout of homesickness. If you are experiencing it – then we are concerned about it. Please communicate with us because we care. We don't charge for internal services but you will be responsible for any external provider costs at the time you access the services. We can assist you to find local groups of like-minded people in the area, connect you with other students with similar interest groups or simply be a friendly listening ear when you need one.

Depending on your needs, we will provide you with a referral to the relevant local organisation and assist you to access services from them.

Some support services are listed in our **Important information about Australia** section of this handbook – but it's best to come and speak to the Student Support and Administration Manager where you can have a confidential discussion and get the right type of service / support for your need or concern.

Issuing certificates

Once you have been found competent in all units you are enrolled in that make up your qualification and have paid all your relevant fees – we will issue you with your qualification and record of results within 30 days. If you withdraw, meaning that you only partially complete your course, then you will be issued with a Statement of Attainment (SoA) within 30 days of withdrawal for all the relevant units that you have completed as competent. We reserve the right to withhold the issuance of any certificates until all fees have been paid, except where we are not permitted to so by law. We cannot issue your certificates if we do not have your USI on file, which is why we ensure upfront that you have created one, and assist you to do so at the time of orientation if you have not created one prior to this.

Reissuing certification documents

We are required by law to keep records of your qualification and units achieved for at least thirty (30) years. If you lose your statements or qualification, we can re-issue these to you for an additional charge. Refer to our **Fees and Refunds** section for more information.

Feedback

Your feedback is important to us! Like all businesses, we strive to improve and use feedback to make changes in line with continuous improvement. We want to make sure we are meeting the needs of current and future students so please let us know if something isn't right or you have a feedback suggestion by emailing or calling us.

You will also be provided with a Quality Indicator Survey which is issued by the National Centre for Vocation Education and Research (NCVER). You may also receive surveys from your trainer or the office from time to time. Please complete these and return as advised.

If your details change...

From time to time your personal details may change. You might get a new mobile phone number, change your address or emergency contact details. It's actually a condition of your visa to notify us within 7 days if your address changes.

If you ever notice that something isn't right with some of your personal information or our records – please let us know so we can amend your records and correct it.

Nothing in this policy and procedure limits the rights of an individual to take action under Australia's Consumer Protection laws and it does not circumscribe an individual's rights to pursue other legal remedies.

Compassionate or compelling circumstances

You will find that many of our policies refer to compassionate and compelling circumstances so it is important to understand this term.

Compassionate and compelling circumstances are personal circumstances that:

- are involuntary and outside your control, for example, medical, family, wellbeing, or enrolment circumstances, and
- present you with limited or no choice.

Course progress and monitoring

In order to maintain satisfactory course progress and attendance you must:

- attend all of your classes, with a minimum attendance of 80% expected
- satisfactorily complete all of your assessments
- actively participate in classes.

Your course progress will be monitored to make sure you are completing all of your assessments and actively participating in learning.

Your attendance will be recorded at the start and end of each class you attend and your attendance rate will be calculated weekly. Please note you cannot be absent for more than 5 consecutive days without approval for a leave of absence. If you are absent we will contact you via SMS, phone calls and emails.

We may assess that you are at risk of unsatisfactory course progress and/or attendance if you:

- have an overall result of Not Yet Competent result for a unit
- do not attend classes on a regular basis
- do not participate in learning activities within the classroom.

An exception may be made where you are attending at least 70% of the course contact hours and is maintaining satisfactory progress.

In this case we will contact you in writing and issue you with a First Warning Letter inviting you to attend a meeting with us to discuss your lack of progress and/or attendance and to agree on a plan to address this (an Intervention Strategy).

If following the First Warning Letter you either do not attend a meeting with us or continue to not make satisfactory course progress, we will send you a Second Warning Letter inviting you to attend a meeting with us to discuss your lack of progress and/or attendance and to possibly adjust the Intervention Strategy agreed on.

If following the Second Warning Letter you either do not attend a meeting with us or continue to not make satisfactory course progress, we will send you a Notice of Intention to Report for Unsatisfactory Course Progress/Attendance including the reasons for the notice. This will mean you may be reported to the Department of Home Affairs with the risk of your visa being cancelled. You may appeal this decision (see section on complaints and appeals) but you must do so within 20 days of receiving the notice.

We will only report unsatisfactory course progress or unsatisfactory course attendance if:

- the internal and external complaints processes have been completed and the decision or recommendation supports our original decision; or
- you do not appeal the decision within the 20-working day period; or
- you do not access an external complaints and appeals process; or
- you withdraw from the internal or external appeals processes by notifying us in writing.

Please note that extensions to your course duration specified on the CoE will be allowed if: you

- Can provide evidence of compassionate or compelling circumstances.
- Where you are participating in or about to participate in an intervention strategy because you are at risk of not meeting course progress or attendance requirements.

Deferring your course

ILLOURA College allows you to defer your course. This means that your place is guaranteed but you can choose to delay the start of your course for up to 12 months.

To defer your course, you will need to complete a Deferral Form and provide evidence of compassionate or compelling circumstances.

If your request is approved, you will receive a new Student Agreement including a revised start date.

It is important to check the impact on your visa by contact the Department of Home Affairs.

Suspending your course

ILLOURA College allows you to suspend your course. This means that although you have commenced your studies you will be able to take a leave from your studies of up to 12 months.

To suspend your course, you will need to complete a Leave of Absence Form and provide evidence of compassionate or compelling circumstances.

If your request is approved, you will receive a new Student Agreement including a revised start date.

It is important to check the impact on your visa by contact the Department of Home Affairs.

A leave of absence will not be approved if fees are unpaid.

Transferring courses

If you wish to transfer to another RTO or university within the first six months of your main course of study, you will need to apply for release from RTO. If you wish to transfer after six months you do not need permission for release (although you will still need to complete a withdrawal form - see the section on deferral, suspension and cancellation).

For your application, the RTO or university you wish to transfer to must be registered with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). It is important to check this which you can do using the [CRICOS course and institution search](#).

ILLOURA College will approve your request for transfer if:
